**Wee Cherub** is a Christian preschool dedicated to encouraging families of pre-schoolers as we build character and train children to develop habits of godliness as they follow Jesus, making wise choices based on New Testament truths of Spiritual Fruitfulness -

LOVE	JOY	PEACE
PATIENCE	KINDNESS	GOODNESS
FAITHFULNESS	GENTLENESS	SELF-CONTROL

Preparing them to successfully function academically and socially within the group setting of formalized education.

*Mission Statement*

The **Wee Cherub Preschool** is a character building readiness program for three, four, and five-year-old children. Master degreed, NYS certified early childhood teachers direct the program activities to the developmental abilities of the children. At **Wee Cherub Preschool**, your child will have opportunities to grow socially, emotionally, physically, and intellectually all within a caring, nurturing, Christian atmosphere. In this day of moral and cultural confusion, we are dedicated to the absolute standard of **The Bible**, a practical handbook for virtuous living.

The primary goal for the **Wee Cherub Preschool** is to partner with parents to compliment their preschoolers' early learning years, teaching what is right and wrong, responsibility, and how to treat the people we meet every day with honesty, kindness, patience, self-control, and respect.

At the **Wee Cherub Preschool**, the fundamental building blocks of creative play and learning in a stimulating, Christian environment enables your child to develop at his own pace, giving him a foundation of confidence to enter formalized education.
